

P4X Pico Projector

The World's Brightest Battery Powered Projector

The AAXA P4-X pico projector combines ultra-compact, long-lasting LED projection technology, a built-in multimedia player, and an HDMI port to become a mobile projection power-house. The P4-X plays high-resolution videos, pictures, and text through a micro SD Card or USB memory stick, or accepts a digital data source from multiple input sources. The P4-X is capable of producing a dazzling picture up to 100”.
